

The tradition of conferences organised by the European Federation of Psychoanalytic Psychotherapy (EFPP) continues in Belgrade, Serbia (in cooperation with APPS and GASB).

The theme

“The Challenge of Social Traumata – Inner Worlds of Outer Realities”

was chosen as a reflection of current events that impact our lives as individuals and within the society. The conference will include

the Adult individual and Group psychotherapy sections of the EFPP.

The official language of the conference will be English. Conference will be held at the Metropol Palace Hotel.

WHO SHOULD ATTEND

The event welcomes Psychoanalysts, Psychoanalytic Psychotherapists, Group Analysts, Trainees, but also postgraduate, graduate and undergraduate students who would like to discover these fields. Moreover, individuals may actively participate by applying to conduct their own lecture or workshop.

CONFIRMED SPEAKERS

Salman Akhtar (United States)
Ivanka Dunjić (Serbia)
Stephen Frosh (United Kingdom)
Julian Lousada (United Kingdom)
Morris Nitsun (United Kingdom)
Ulrich Schultz-Venrath (Germany)

CONFERENCE STRUCTURE

Pre-conference activities, Discussion groups, Small experiential groups, Subplenaries, Workshops, Panel Lectures, Social dreaming matrix and the Large group will comprise this 4-day event.

• REGISTRATION

Participants can register for the conference through the online registration form on the conference website.

Payments can be made by credit cards, wire transfer, or on-site. If you pay by bank transfer you are responsible for payment of the bank transfer charge for your registration.

Registration is only complete after payment, payment must be before 30.11.2017/28.2.2018 for the reduced rates.

We must point out that Serbia is not a member of Single Euro Payments Area (SEPA), which may have an effect on transaction fees.

For a group registration, please contact the Conference Secretariat (either via the website or directly by e-mail at info@efpp-belgrade2018.com).

Additional information regarding payment instructions will be available on the conference website.
